REMARKS

Applicants wish to thank the Examiner for the attention accorded to the instant application. By this amendment, claim 12 has been canceled, and claim 13 has been rewritten in independent form including all of the limitations of base claim 12.

In response to the objection to the element "n" in original claim 12, now in claim 13, the claim has been amended to recite that "n is a stage number corresponding to one of said plurality of stages".

Since claim 12 has been canceled, the rejection under 35 USC 102(b) should be removed and the claims herein should be allowable to Applicants. Accordingly, allowance is respectfully requested.

Respectfully submitted,

Ralph J. Crispino
